Rulemaking 00-10-002  
(Filed October 5, 2000)

Phase 1 and 2

**ADMINISTRATIVE LAW JUDGE'S RULING  
ON MOTIONS OF CHROMALLOY LOS ANGELES  
FOR LEAVE TO INTERVENE AND  
FILE RESPONSE OUT-OF-TIME**

On December 18, 2001, Southern California Edison Company (SCE) filed a petition for modification of Decision (D.) 01-04-006 regarding changes to the firm service levels (FSLs) of existing interruptible customers. Responses were due by January 17, 2002.

Chromalloy Los Angeles (Chromalloy), a Division of Chromalloy Gas Turbine Corporation, served two motions dated January 18, 2002, and filed these two motions on January 25, 2002.<sup>1</sup> The first motion seeks leave to intervene. The second motion seeks leave to file a response to SCE's petition out-of-time.

---

<sup>1</sup> Service was performed on the Phase 2 service list on January 18, 2002, and on the Phase 1 service list on January 25, 2002.

In support of its motions, Chromalloy states that SCE's petition concerns requests of certain SCE Schedule I-6 customers, including Chromalloy, during November 2001 to decrease their FSLs under the I-6 tariff. Chromalloy represents that it filed a complaint on November 6, 2001 against SCE because of SCE's refusal to honor Chromalloy's requested reduction in FSL. Further, Chromalloy states that at hearing on January 11, 2002, Chromalloy was advised by Judge Robert Barnett that a decision on its complaint would await action on the SCE petition. Chromalloy concludes that its interests are involved in SCE's petition, and no party will be prejudiced by the late response since it was filed only a few days after the due date.

There is no known opposition to the motions. Chromalloy's motions are reasonable, and are granted.

**IT IS RULED** that the two motions filed on January 25, 2002 by Chromalloy Los Angeles (Chromalloy) are granted. The Chromalloy response dated January 18, 2002 is filed, and Process Office shall include the following appearances for Chromalloy on the service lists for both Phase 1 and 2:
